WHO SHOULD ATTEND:

Residential and Business Property Owners, Local Residents and anyone wishing to learn about Michigan property taxes.

DESCRIPTION:

Understanding Michigan's complex property tax process can seem daunting. However, knowing some of its more intrinsic components will greatly aid property owners in reviewing their local property tax records for fairness and accuracy. Participants will **learn the meaning of Tax Day** and **how property is valued** by your local assessor. Participants will also **learn the five different values for each property** and the **purposes of each** as well as **how local millages are determined**. Does your property **qualify for any property tax exemptions**? Come and find out at this comprehensive look at the property assessment / tax process.
