Unfinished Business

The Private Road Section 7.29 was again discussed. The current county version was compared to the section in the Eagle Harbor Township Ordinance (EHTO). All agreed the EHTO is more concise. Ann did have a concern about commercial development. She will have the Prosecutor review the section and get his thoughts.

New Business

Discussion was held as to the words for Resort Residential. It was recommended if anyone questioned the wording, they should look to the intent and purpose of zoning districts on page 4-4.

Ann Provided her report. Jim Vivian asked as to the status of a cell tower on Brockway. Any new tower proposal will need to go through the complete process again. The previous permits have expired.
