Around the table

Steve spoke to the action by the Planning Commission to attempt to review the complete zoning ordinance over the next three years. We will begin with Article 9, non-conformance.

Marty asked about public awareness of zoning. If there is a way to help spread the word. Send out information in tax bills or other notices that are sent out annually.

Kelly mentioned the questions she gets from the lot that was fenced in and people park there to RV's in yards and people staying there. She tells them to come to a meeting.

Set Next Meeting January 9, 2020 5:00 PM

Motion to Adjourn Marty/Steve to adjourn at 6:18.
